

By the Book with LEA

Your Professional Association

- ❖ LEA is committed to the principles of high quality, affordable, and universal free public education for all children.
- ❖ The strength of our organization comes from the 2,500 members of the LEA, the 28,000 members statewide, and the 3.2 million members nationwide.
- ❖ The LEA and NSEA make your voice, the voice of public education, heard on issues that matter most to you, your students, and your profession.
- ❖ LEA is attuned to the professional lives of its members and is committed to improving the profession by offering workshops, materials, benefits, etc. that meet the needs of the membership.

As a substitute member, you would receive ...

- \$1 Million Liability Insurance Coverage (per incident) Liability Insurance covers individuals for loss(es) sustained “by reason of liability imposed by law for damage caused by an occurrence in the course of the insured’s educational employment activities.” Liability Insurance does not provide legal services to individuals who are not on a continuing contract as defined by state law
