

LEA FOUNDATION CATASTROPHIC ASSISTANCE GRANT

CRITERIA AND INFORMATION

PURPOSE: The LEA Foundation (LEAF) was established to support members of the Lincoln Education Association through distribution of scholarships to current members and future teachers. LEAF also was established to provide philanthropic support to members in catastrophic need.

With our members' support and fundraising efforts, we are able to offer monetary support on an application basis to aid members who are facing a catastrophic situation.

Applications will be reviewed by a committee of LEAF Board members and a determination of need will be made. The committee will meet twice a year and award monetary assistance up to \$250 per approved request.
