## What: Dinner and Dialogue

*The Lincoln Education Association (LEA) has received a grant from the National Education Association through The Public Engagement/Family-School-Community Partnerships Initiative (PEP/FSCP). The goal of the initiative is to provide support for community dialogues that move from conversation to action. The LEA, lead by President Jenni Absalon, is teaming with Thomas Christie from the Lincoln Public Schools and T.J. McDowell from the Malone Center to organize a group of community stakeholders to recruit facilitators and participants to engage in a dialogue about closing achievement gaps. We hope you can join us to learn more about this important initiative.*
